

COCKTAILS

THE AFTER PARTY

A MAGIC ME PROJECT

ACTIVITY: POSTCARDS

ARTIST: MIA HARRIS

Artist Mia Harris invites you to explore gestures of invitation by making a postcard for someone that you're missing at the moment.

How to:

Step 1

Make your postcard:

Rip out a picture from a newspaper or magazine that you like, and glue / tape it to a blank piece of paper / card. Draw postcard lines on the right side as shown in image on the second page.

OR

you can also use Mia's pre-made postcards which you can find as pdfs at [www.https://magicme.co.uk/project/postcards/](https://magicme.co.uk/project/postcards/) Choose one that you like, to print out (cutting out the postcard shape and folding over) or open on your computer with a simple software (such as paint.)

Step 2

Write a message, or do a drawing to a friend/family member that you have not seen for a while, and miss during lockdown.

Step 3

Include the web address on your postcard:
magicme.co.uk/project/postcards and #TheAfterParty hashtag.

Step 4

Take 2 photos of yourself holding the postcard, one showing picture side, and one showing the message side. Or If you're editing on your computer why not include a pic of yourself?

If you'd like to share your scene with us and others please: Email your responses to sarahwatson@magicme.co.uk or share on your personal Facebook, Instagram and Twitter, tagging Magic Me with hashtag #TheAfterParty
