## THE AFTER PARTY

### A MAGIC ME PROJECT

## ACTIVITY: COLOUR MOOD SCENE

### ARTIST: MIA HARRIS

Artist Mia Harris invites you to create a Colour Mood Scene using items from around your house!

Step 1 – Pick a colour to reflect your mood.

Step 2 – Rummage around your house finding objects of that colour – clothes, curtains, cleaning products, tins of food etc.

Step 3 – Set up a scene in an area of your home with all your things. Could be on a sofa / chair, kitchen table, wherever you like. Tip: Make sure the space is bright enough – either by the window or a light in your house to show the colours off!

Step 4 – Make a 30 second video and tell us the following:

- Name – My Name is.....
- Chosen Colour – I have chosen the colour....
- How it makes you feel? Where are you in your home?
- Show us a couple of your favourite items.

Alternatively: You can take a photo of you in your scene, and a message inside the email.

If you don't have access to a phone / camera, instead set up your Colour Mood Scene, find some paper and coloured pencils / pens (of your chosen colour) and draw us a picture of your scene, including your reflections on the page too!

If you'd like to share your scene with us and others please:
